From: *Wild Side of the Adirondacks* by Kip Taylor, 1991

SOLUTION TO CRYPTOSOLVE #193:  
THERE'S A MAGIC IN THE MOUNTAINS,  
WHEN THE WIND LIES STILL BETWEEN THE TREES.  
THE SUN FALLS DOWN TO AN AMBER HAZE,  
COYOTE'S ECHO FINDS ITS WAY TO ME.

ADIRONDACK CRYPTOSOLVES are items of interest about the Adirondacks. In the puzzles, the correct letters have been replaced by different ones, and the same code is used throughout the puzzle. Clues are: Short words, the most frequently used letters of e, t, a, o, n, s, and i, and the popular word endings of ing, lion, and ed. Enjoy the challenge, relaxation, and satisfaction of solving these Adirondack puzzles. Good luck! © 1994 Nancy A. Douglas
